

GULF ISLANDS CONCERT SERIES 2007/2008 SEASON

LORNE ELLIOTT
Tuesday, Oct 9, 2006

Canadian born, LORNE ELLIOTT has performed from Newfoundland to New York City, from Los Angeles to Australia and points in between. Lorne started performing in 1974 as a folk musician in East Coast Canada. At the same time he kept writing fiction as well as songs, monologues and one-liners. The outcome of such training is a very special show of comedy and music, totally original, entertaining, up-lifting and foolish enough to make everybody laugh. Along with his unique and wacky performance style, it is the timelessness of his material, joined with keen observations of today's trends that make LORNE ELLIOTT's work so special.

JOE TRIO

Friday, November 9, 2007

JOE TRIO is not your average piano trio, but that's the point. The trio doesn't wish to be neatly categorized. Instead they strive for diversity, versatility and more than a little humour and unpredictability. Their repertoire consists of the classics - from Haydn to Shostakovich - new works by contemporary composers, and their own arrangements of popular, jazz and rock tunes.
